TEXAS TRAIL MUSEUM'S GOLF TOURNAMENT PRODUCES EXCITING FINISH

PINE BLUFFS – The Texas Trail Museum's Annual Golf Tournament was played Saturday, June 30th at the Four Winds Golf Course in Kimball, under a beautiful blue sky. 58 avid golfers teed off at 9 a.m. They produced an ending which could not have been more exciting had it been written by a Hollywood screenwriter.

After eighteen holes, the team of Jake Strohman, DuWayne Lewis, Ronnie Irvine and Bruce Posthumus, turned in a score of 61, to take home the winner's prize. However, two teams finished tied for second place, which required a playoff. Nate McCune, Casey Peak, Gary Small, and Cara Luce, won the "shootout" to place second on the day, with a score of 62.

"That was a terrific finish," golf pro Chad Wise said. "It's good for the Museum and good for the game."

This year, the Tournament featured a \$10,000 prize for a hole-in-one on hole#17, and three other great prizes on the other par 3 holes. No one was able to claim the big prizes, although four golfers dropped drives onto the green; one coming within four feet of the cup. "We were really hoping someone would do a hole in one, today," Jackie Mueller, Co-chairperson of the Tournament with Tony Sacco, said. "It was a lot of work but lots of fun, too."

The Museum wishes to thank its hole sponsors and hole prize donors; High West Energy, High West Communications, First National Bank, Always Manufacturing, Pine Bluffs, Auto Parts & Hardware, Texas Trail Market, Bluffs Veterinary Clinic, Wyoming Physical Therapy, PC, Gator's Traveilyn Motel, Dennis Talich, dba Farm Bureau Insurance, Robert M.
