2007 VANILLA ICE CREAM SOCIAL A HUGE SUCCESS

PINE BLUFFS – Even the weather cooperated on Saturday, July 14, for the Texas Trail Museum’s Semi-Annual Vanilla Ice Cream Social, held in conjunction with the Laramie County Public Library, at lovely Texas Trail Park, behind the Museum’s main exhibition hall.

Planned and supervised by Pine Bluffs Library Branch Specialist, Mary Cushing, ably assisted by Christina Herd, the event featured cart rides for the kiddies sponsored by Pine Ranch. Anne Larson and Erick Salverson drove the cart, and all the children took turns riding around the First National Bank building, down Main Street, and back to the Museum, after which lots of vanilla ice cream was gobbled by those in attendance.

To add to the festivities, the Museum made tour guides available during the event. Administrative Assistants Becky Martinez and Shyla Stracke, and Museum President Tony Sacco, did the honors.
